Innovation! Quality! Value!

Dumor HD folder mkl

The world's fastest and most flexible **auto setting folder**

Double Grip Feed

Make no mistake, the newly designed Dumor HD folder has a better specification list than any other lighter duty folders. Just look at these features: Fully auto setting, 6 fold patterns pre-stored, 6 custom length memories per fold pattern, fitted standard with extra long paper guides / anti-curler, fitted standard with unique tandem roller infeed system for 3 times the grip on the paper, full silicone long life fully sprung fold rollers, fully soundproofed fold plates, auto sensing of paper format, 6 step speed adjustment, the fastest folder in its class.

Innovation! Quality! Value!
