Dumor Digifolder A4

ultra compact

A4 folding machine

The Dumor ultra compact folding machine with 2 pockets is designed to be used in offices and small print shops where space and productivity are paramount. The folder will fold sheets from A5 to A4 with 1 or 2 folds in any order. Typical fold patterns, half fold, double inside, and zigzag are easy to set up with the common fold positions marked on the fold plates.

Innovation! Quality! Value!
